PRODUCT**

tiling
just got easier

Featured Tiles: Polished concrete

Dumawall+ tiles with carefree fitting and maintenance bring an elegant finish to all interior walls.

Dumawall+ is a waterproof tongue-and-groove wall cladding. The Dumawall+ tiles are made of completely solid UV-resistant panels and provide an elegant finish to indoor walls.

Installation is simple and quick, without drying time and without grouting and all of this can be done directly on the old tiles, without the need to remove them.

Dumawall+ tiles will turn tiling into child's play. The tiles are easily nailed, stapled or glued onto the walls. If necessary, they can be cut to size with a normal saw and quickly installed.

FEATURED PRODUCT CALACATTA MARBLE

Dumapan is our standard range of watertight plastic wall and ceiling panels.

SMP stands for “**Synchronised Multicolour Printing**”, a new technology allowing our high-tech printing machine to print photographic true images on our products with a high resolution of 360 dpi. This ensures that your wall is given a realistic look and feel that is true to nature.

Naturally, all the benefits of our standard Dumapan panels apply. In addition to a fantastic look and feel, you can count on a durable, water resistant, sustainable, care friendly and easy-to-install wall cladding that has a guarantee of no less than 10 years.

What wall have you got?

A. Even walls

Glue* directly onto existing flat surface (ceramic tiles, plywood, mdf etc.)

B. Rough uneven wall

Build the framework in wood. Staple or nail our panels right to the framework.

The panels can be easily installed with a tongue & groove system, either seamlessly or with a v-groove.

***Ensure adhesive is suitable for use on the base on which the panels will be installed.**

Rigid accessories and trims

A selected choice of white, silver and grey trims enable you to put the finishing touches to your wall or ceiling cladding in a stylish fashion.

1. Start & Edge Trim - 069

available in white, dark grey, light grey and silver

3. Multifunctional Trim - 070

available in white

2. Universal Corner - 082

available in white, dark grey, light grey and silver
